Communion is part of our Rhythm of life.

- ✚ Jesus established this practice to help us remember and celebrate; repeatedly; and regularly.
- ✚ We participate together in the grace and joy God gives us.

Communion is a promise.

- ✚ A promise renewal celebration.
- ✚ Remembering God's promise to us and our promise to Him.

Everyone present participates in the Lord's table. Read on...

- ✚ People who *believe and desire* Jesus to be Lord of their life partake of the bread and cup.
- ✚ People who are *deciding* this is the moment to express faith in Jesus for the first time, partake of the bread & cup.
- ✚ People who are *not sure* about their relationship with Jesus participate by observing and passing on the bread & cup.

Our communion focus this Sunday
Jesus Christ's humility.
