## Upcoming Events

### Supporting our teens for emotional wellness:

An online conversation for parents

- Date & Time: Wednesday, **January 13, 7:00-8:00pm**
- Location: Zoom - Meeting ID and password will be emailed Tues, Jan 12.
- Hosted by Pastor Jason with Andrea Dyck

### Description

Isolation, ever-changing protocols and practices, anxiety-inducing news... these are just a few of the things our kids have been dealing with over the past 9 months. The COVID pandemic has had a wide-reaching, dramatic effect on all of us. How can we help our kids navigate all this and deal with their emotions, disappointments and frustrations when we as parents are dealing with the same things?

Join us this Wednesday evening to discuss some ways we can care for the emotional wellness of our teens. We will spend some time looking at what emotional wellness means and discuss realistic ways to support our teens and our relationships with them.

The discussion time will be geared specifically for parents of teenagers. However, it is open to any adult seeking to care for children and teenagers.
