Our Workers

An update from Andrea: My 'Making sense of Resilience' class has been rich with discussion and insights. Please pray for participants as they find new ways to apply the material with those they work with around the world as well as with their children.

Please also pray for those **living in Turkey** as they come alongside those who are suffering around them and find ways to help with earthquake disaster relief.

Dave and Kim Field, SEMC workers with Ethnos 360, are significantly short of funds for living expenses. They need additional monthly financial supporters. For further details contact the missions committee or the office. Pray for Kim as she takes a group of students interested in missions to the Ethnos Missouri campus this week.
