Our Workers

Albert & Edna Martens are looking for volunteers to join them in their ministry in Tadoule Lake this summer. Dates are July 23 - 30. They need people who would enjoy integrating with our First Nations people living in a remote community. TL is situated 250km west of Churchill and is a fly-in reserve. The week is planned with activities for the children and youth. Baseball and games are integrated with sharing the love of Jesus through stories and testimonies. Visitation to private homes and praying with older people is a highlight. A community wiener roast where there are great opportunities to interact with the people comes at the end of the week, with the evening ending with fireworks. If you would like to be a part of this ministry, please contact Albert or Edna.
