**Elda Morrison** in Grunthal Menno Home.

**Tina Sawatzky** in Bethesda Place.

### Our Workers

#### **Phil & Tammy Peters:**

1. Please pray for the vocational school in the Butambala district of Uganda. This is the one I mentioned when we shared it in church this summer. These past days a couple of churches received bomb threats in exactly that area. Butambala is a very Muslim area of Uganda. We are praying for safety and favor as the school starts building this next week.
2. We are also asking for prayer for some of our schools in creative access areas of North Africa. Some of them have had to close because they are seen as aligning with the West. Would you please pray for wisdom and their safety as they want to reflect Christ in their decisions
3. Please pray for Tammy as she travels to Tanzania and Zambia in the first two weeks of November. We are looking at opening offices there and we'll be meeting with potential leadership and board members.
4. Please pray for Open Schools work in Malawi. There are new projects starting up there that need funding to begin.
5. For Hannah and Michael and the upcoming birth of our grandbaby in December.
