PRAYER REQUESTS

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. Philippians 4:6

Our Congregation

Dave Hiebert in HSC with sepsis and has also been diagnosed with diabetes.

Yvonne Thiessen had a complete knee replacement surgery and appreciates your prayers for her recovery.

Isaiah Loewen - Thanks to all of you who prayed for Isaiah after his knee surgery. His knee is healing well and he is back at work this week.

Eunice Neufeld, Mary Plett & Agatha Smith in Cedarwood.

Elda Morrison in Grunthal Menno Home.

Tina Sawatzky in Bethesda Place.

Our Workers

Pray for **Andrea** as she will be attending a conference for workers in June. It's a smaller conference meant to be supportive to field workers, which also means there is more chance for connection and more time with those who need it. Pray for smooth travels and safety, and for her family while she's gone. Pray for good connections with participants at the conference. That she would communicate well and be a support to those who are needing help.
